and what
have you

by BOB CRAIG

The following thoughts presented by Vern Sanford, manager of the Texas Press Association, may seem of little concern for Hamlin but if we do like like he says and dream a little we might find that there is something that we can do here to attract the outdoorsman or tourist . . .

Need a brand new industry in your town?

If so, let us remind you that recreation is our biggest industry.

So . . . let's dream awhile!

If you're overlooking the potentials that a new lake offers you're missing a huge bet.

Outdoor pleasure seekers are increasing by the thousands each year, in Texas alone. People are becoming more conscious of the need to relax, to relieve tension, to entertain guests, or to just plain have fun after the day's work ends and during the weekend.

With more and more people working fewer hours recreation will continue to be a problem. Cities that solve that problem by providing recreation facilities close by will grow in size.

Biggest opportunity the small town may have to increase its income, as well as its population, very well could be the construction of a new lake or some type of crowd-pulling outdoor recreation facility.

So, if your town needs to build back lost population . . . to take it away from the big cities, or swipe some from the nearby villages—consider new recreational facilities as "the lure."

Include a "come on" that appeals to boaters, skiers, fisherman, swimmers, skindivers, hunters, trap shooters, the bow and arrow boys and girls—all phases of appeal to the outdoor lover . . . and you'll have it made.

Few cities can build a setup like "Six Flags." Not many can develop a center of recreation such as San Marcos' now famous Aquarena, or its Wonder Cave . . . or the Caverns of Sonora in West Texas.

But it must be remembered that these things didn't just happen. They were brought about by alert citizens with vision. Men and women did it who saw the possibilities that these natural "resources" offered to the community as well as to the individual owners. Townspeople helped create interest in these projects.

Very few businessmen can go it alone. They need help. Maybe not financial so much as inspirational.

If your town needs a boost, start dreaming a little. Then dream a lot! Dreams do sometimes come true—especially if you help them along a bit.

Maybe you don't have an Alamo to draw tourists. But maybe you do. Look around. Dream a bit.

Advertising has done much to sell tourists on "stopping over." Have the City Dads investigated the possibilities of the historic features of your town? Have you?

Galveston didn't become a tourist mecca overnight. Neither did Palo Duro Canyon in the Panhandle. Or Dam B in East Texas. Or Lake Mathis near Corpus. Or the beautiful impoundment at Texarkana.

In fact none of the outdoor attractions of Texas developed without encouragement and hard work.

Stop for a moment and try to think of a natural lake in Texas. There is none. All are artificial—man-made impoundments.

Most people are amazed when they see the beautiful hills of the Highland Lakes Area of Central Texas. Small mountains, really. They have been there for thousands of years—but only in relatively recent years have they zoomed in popularity.

It all began with dams—followed by lakes.

Now seven (7 mind you)

FARM WELDING SHORT COURSE
PLANNED HERE JUNE 11-15

"A farm welding short course for adult farmers will be held June 11-15 under the sponsorship of the Hamlin High School Vocational Agriculture Department according to C. F. Cook, Superintendent and T. C. Blankinship, and Milburn Wink, Vocational Agriculture teachers.

Joel R. Barton, welding specialist with the Vocational Agriculture Division of the Texas Education Agency and the department of Agricultural Engineering at Texas A&M College, will do the instructing in the course. He is headquartered at Texas A&M College.

Barton is a native of Glasscock County, Texas, and was reared on a west Texas ranch. He attended grade school in San Angelo and graduated from high school at Big Lake, Texas. He holds a B.S. degree in animal husbandry from Texas A&M. After five years as a pilot in the U. S. Air Force, Barton served as an agricultural specialist in Texas State hospitals and special schools. In addition to regular classes, he set up farm shops and gave instruction in farm welding and general farm repair.

"Many welding short courses in various parts of the state have been taught by Mr. Barton and all have met with outstanding success," according to Hulan Harris, area supervisor of vocational agriculture, Big Spring, Texas. Arrangements for the adult education short course in welding and in other fields are made through Harris' office.

The short course at Hamlin is scheduled to begin Monday

JOEL R. BARTON

evening in the vocational agriculture building. During the dates the short course is in progress, Barton will be available to assist farmers with individual problems and to provide on-the-farm instruction. Farmers interested in attending the short course should write or call Supt. Cook or Blankinship. An entry fee of \$5.00 will be charged. Farm Welding Short Course Certificates will be presented to each enrollee who attends all the training sessions.

Barton states that the short course will be adjusted to wishes and interests of farmers enrolled but that he expects to cover such subjects as safety in welding, factors controlling the operation in running a bead and striking an arc, types of electrodes, preparation of joints, distortion, cutting, hardsurfacing, and pipe welding.

EX-STUDENTS WANTED

The Hamlin Ex-students Association is continuing work on getting information on ex-students and teachers of the Hamlin Public Schools or schools that have consolidated with the local system.

In preparation for the annual homecoming which will be Saturday, September 8, the association is in the process of mailing each ex-student a letter requesting information about themselves and a dollar for membership dues. The group is planning a small ex-student directory which will include information about the families of all former students and teachers. The information is needed soon so that the organization can make plans for the publication.

All ex-students and teachers who have not filled out a form are asked to fill out the blank below and send with a dollar to Mrs. Kenneth Riddle, president, Hamlin Ex-Students Association, Box 323, Hamlin, Texas.

MRS. W. L. FLETCHER SR.

LAST RITES HELD TUESDAY FOR
MRS. W. L. FLETCHER SR., 92

Mrs. W. L. Fletcher Sr., 92, a resident of the area for the past 55 years, died Sunday at 6:30 p.m. in Hamlin Memorial Hospital. She had been hospitalized for 10 weeks with pneumonia.

Born Mary Louise Brown, she was the daughter of Mr. and Mrs. M. F. Brown of Wedowee, Alabama. She moved to Georgia with her family as a young child and met her husband, W. L. Fletcher, at Bowden where they attended school together. She also attended Bowden College there.

The couple was married on July 19, 1891, in the home of her parents. They came to Texas in 1894 and settled in Hill County. They later moved to Limestone County and from there they moved to Jones County in early January, 1907.

The farm which they purchased at that time is located six miles southeast of here in the Fairview Community. They lived there until January of this year when they purchased a home in Hamlin at 137 Southwest Fourth St.

The couple observed their 70th wedding anniversary in July last year.

Mrs. Fletcher's death is the first death of an adult in the immediate family. One of their children died at the age of two and one half years.

A member of the First Methodist Church, she was also a member of the Eastern Star.

Services were conducted at the First Methodist Church Tuesday at 10:00 a.m. The Rev. Edmund W. Robb, pastor, and the Rev. Lenard Hartley, pastor of the First Baptist Church, officiated. Burial was in Hamlin East Cemetery.

Survivors are the husband, a retired farmer; three sons, W. L. Fletcher Jr. of Abilene, W. W. Fletcher and L. J. Fletcher, both of Hamlin; four daughters, Mrs. B. H. Gardner of Hamlin, Mrs. Ruth Murry of Pasadena, Mrs. J. H. Barnett of Littlefield, Mrs. Neal Chastain of Spur; 24 grandchildren and 36 great-grandchildren.

Grandsons were pallbearers. Mr. and Mrs. Wood Cowan and family and Mrs. Faye Dean went to Denton Friday to attend graduation exercises at North Texas University. David Lewis Cowan received a bachelor of business administration at the commencement.

Timothy Cornelius Austin, son of Mr. and Mrs. Elijah W. Austin Jr., was born May 29 at Hamlin Memorial Hospital. He weighed 5 lbs., 6 oz. The Grandparents are Mrs. Lee Ola Doty of Hamlin and Mrs. Melonee Austin of Rotan.

McCaulley Baptist
Brotherhood Plan
Evening Services

The McCaulley Baptist Brotherhood will be in charge of the Sunday evening service at 8 o'clock at the McCaulley Baptist Church.

The service will include special music, preaching and testimonies by the brotherhood members.

Those who will have a part in the service are Otho Watson, Thomas Jones, T. H. Boyd, Callens George and Roy Cummings.

The Rev. Gerald Tidwell is pastor.

Woman Softballers
Lose to Roscoe

The recently organized women's softball team was defeated by the Roscoe Sluggers at the Saturday night game in Roscoe. The closely fought contest ended at 15-12.

The Hamlin team was ahead 5 to 0 at the end of the second inning after a home run by Glenda Pritchard with the bases loaded. Roscoe tied it up in the top of the fourth; the game was again tied 11 to 11 in the bottom of the sixth.

The ladies are making plans for an active summer program and after seeing Roscoe in bright red uniforms, they hope to be in uniform in the near future.

Women interested in becoming a part of the local group should contact Mrs. Clyde Brown or be at the practice session on Wednesday afternoon at the junior high school at 6:00.

Tentative plans are being made for a game with Roscoe here Saturday at 7:30 p.m.

Stamford Couple
Wins Bridge Meet

Winners of the Hamlin Duplicate Bridge Club were Mr. and Mrs. Harry Yates of Stamford, first; Mrs. Floyd Briscoe and Mrs. Holly Toler, second; D. C. Andrews and Gene Knebel, third.

The club meets at the Mid West Cooperative Oil Mill Guest House on Saturday evenings at 7:30.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN — Crooked-hole well-drilling is the big news at the Capitol.

More than \$3,000,000 in penalties is asked by Attorney General Will Wilson in the first suit brought by the state following "crooked-hole" investigations in the East Texas Oil Field. Suit contends that six oil wells were drilled in such a direction that they wound up under some else's land.

Operators plugged two of them before Texas Railroad Commission engineers could check to see if the holes were straight or crooked.

Suit asked \$1,000 a day for each day of operation of each well. Over a two-year period, this comes to \$3,442,000.

Commission engineers plan to check more than 1,000 wells. Humble Oil and Refining Company brought a civil suit against another group of oil operators. Humble says that the operators' crooked wells ended under an Humble lease and have been draining off Humble's oil.

SAFETY IN AGE—If you live to be 100, you'll be safe from death by accidents.

State Health Department statistics reveal that not a single Texan over 100 years of age died in an accident in 1960.

Statistics also reveal that there's something to what they say about Texas weather. Deaths from extreme heat and from freezing both were reported during the year.

Biggest killer for all age groups, except those under one and over 75, is the highway accident.

In the home, fire and explosion are the biggest killers. Falls are in third place.

Home ranks next to the highway as the scene of most accidental deaths.

MENTAL PATIENT CLINIC—Board for State Hospitals and Special Schools is expected to act within the next week or two on whether to select a site in the Lower Rio Grande Valley or in the Beaumont area for an outpatient clinic for discharged mental patients.

Dr. C. J. Ruilman, state director of mental health and hospitals, said the Board already had chosen the Fort Worth area for one of the two clinics authorized by the last Legislature.

"Second will be established in South Texas," he added. Sites are being considered at Beaumont and Brownsville, Harlingen.

Such clinics now are operating in Houston, San Antonio and Dallas.

PARK PATRONAGE GAINS—State Parks system is showing substantial gains in patronage as compared with last year.

Bill M. Collins, executive director for the Parks Board, said that increases in the number of visitors particularly were noticeable at Garner State Park in Southwest Texas, Lake Corpus Christi Park, Palo Duro Canyon in the Panhandle, Bentsen Park on the Rio Grande border, and Kerrville and Buescher parks.

Total visitors in April, latest figures available, were 681,871, compared with 590,133 in the same month a year ago.

DOVE HUNTING SEASON—Texas will have representatives at the national dove conference in Washington on June 26 when length and dates of the 1962 hunting seasons will be discussed.

H. D. Dodgen, executive secretary of the State Game and Fish Commission, reports the outlook favorable for a good dove crop in Texas — both mourning and white-winged doves.

VACATION READING STIMULATED—Fourth annual "Texas Reading Club"—designed to encourage an interest in reading among youngsters—during their summer vacation—is under way.

Sponsored by the Texas State Library and participating libraries in 89 cities and towns, the program enrolled more than 16,000 young people this year. Harold J. Marburger, director of rural library services, State Library, described the reading club as the largest of its kind in the nation.

Youths who read 12 books on their reading level before August 31 will receive a reading certificate signed by Marburger and Dr. Dorman H. Winfrey, director and librarian, State Library.

In addition, all youngsters who enroll will receive a "reading log" to keep a record of books completed during the program.

Books in many instances are being furnished by the State Library through inter-library loan, bookmobiles, multi-county regional libraries and through the loan of books as an extension service from the library field services.

TOLL ROAD—Only toll road in Texas — the Fort Worth - Dallas Turnpike — seems to be making its way.

The Turnpike grossed \$3,245,797 last year, with operating expenses of \$937,168. It put \$1,641,977 into the fund to pay interest on the \$58,500,000 it borrowed to build the road, and to build up its total reserves to nearly \$5,000,000.

The Fort Worth - Dallas Turnpike is the only place in Texas where it is legal to drive 70 miles an hour.

Legislature allowed the Turnpike Authority to raise the speed limit to that figure.

SMOKERS PAY—Cigarette smokers are chipping in more than \$7,000,000 a month to the State Treasury under the 8-cents sales tax on each package.

Treasurer Jesse James reported income from that source to be \$7,700,588 in May.

SCREW-WORM CONTROL—Fight against the screw-worm fly has been extended northward. Reason is because truck-hauled livestock, infested with screwworms, crossed the control line which was being maintained by aerial distribution of sterile male flies.

Texas Animal Health Commission meets on June 11 to adopt a regulation requiring inspection of livestock as they cross the control line, and spraying them to make sure they do not carry the costly worms into clear territory.

A new distribution point was established at Conroe after outbreaks of screwworms were reported in East Texas.

Program is a bold effort to control this \$40,000,000-a-year pest. It is financed by the federal and state governments and by contributions from livestock owners. Most of the money is federal.

Short Snorts

Billie R. McElroy of Austin, firearms training specialist for the Texas Department of Public Safety, won the Elihu Root medal for marksmanship for training civilian marksmen.

Texas Education Agency revealed that more than 100,000 Texans now have completed the Civil Defense "Education for Survival" course, leading the nation in adult participation in this program.

NEINDA PHILOSOPHER EXPLAINS HOW CANDIDATES CAN SPEND MORE FOR AN OFFICE THAN THE OFFICE PAYS

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1, explains the financial end of politics this week, how accurately, we can't say.

Dear editor:

I was talking with a neighbor of mine the other day and he said there was a problem puzzling him.

He said he'd been reading some figures on how much candidates spend in a big campaign and what he wanted to know was, how can a man afford to spend four or five times as much running for an office as the office pays?

"You take when a man runs for some big office, Governor or Senator, say, why some times he'll spend more getting elected than the office will pay in fifteen or twenty terms, and nobody has ever held on that long. This doesn't make sense to me," he said.

Now I'll admit it doesn't seem to make sense, to spend more money getting a job than the job pays, but on the other hand, farmers do it all the time. Frequently, farming like running a post office. It's a public service institution, you're not supposed to make a profit at it.

But the difference between a farmer spending more on a crop than he makes and a politician spending more on an office than it pays, is that for some strange reason most successful politicians wind up in better financial shape than farmers. Some of them wind up in better shape than before they got elected, which only

K. A. RANSEBENS MAKING HOME IN LUBBOCK AFTER MARRIAGE

Mr. and Mrs. Karl Albert Ransleben are making their home at 4818 35th Street in Lubbock following their marriage in the Ascension Lutheran Church in Lubbock at 10:30 a.m. Saturday. Pastor Richard Carfrae officiated for the double ring ceremony.

The bride is the former Amanda Freeman Pike, daughter of Mr. and Mrs. O. C. Freeman of Hamlin. Mr. and Mrs. K. A. Ransleben of Kerrville are parents of the bridegroom.

The bride's only attendant was her daughter, Cynthia Elaine Pike. Clifford Tuttle of Lubbock was best man.

The bride wore a lilac silk suit. Her nose length veil was attached to a lilac flower clip. Her corsage was of white orchids.

The attendant was dressed in lilac and white organza with a white carnation corsage.

The couple went to Carlsbad, New Mexico, for a wedding trip.

The bride is a 1955 graduate of Hamlin High School and

received a BBA degree from Texas Tech in 1961. She is presently employed with Travis Canon Oil Company.

The bridegroom was graduated from Kerrville High School in 1956 and will receive a BBA degree in accounting in August from Texas Tech. He is employed with Campbell-Robertson Accountants.

Bailey Circle Hears Program, 'Rich Toward God'

The Bailey Circle of the Women's Society of Christian Service met in the home of Mrs. Mabel Nunley for a program, "Rich Toward God," by Miss Ella Temple. Miss Temple used the 107th Psalm in the pledge service.

Mrs. Tom Teague gave the opening prayer. Mrs. Ed Bailey, circle chairman, presided. Eight members were present.

The next meeting will be June 25 with Mrs. Richard Young Jr.

Payne. Mr. and Mrs. Raleigh Reynolds are parents of the bridegroom.

The Rev. Sam King, retired Nazarene minister, conducted the double ring ceremony. Anna Adams was pianist.

Mrs. Joe A. Dean of Iraan, sister of the groom, was matron of honor. Kenneth Young, brother-in-law of the bride, was best man.

The bride, given in marriage by her father, wore a street length gown of white peau de soie with scooped neckline and elbow length sleeves. The deeply scooped back neckline buttoned with tiny self buttons to the butterfly bow at the back waistline. The skirt was fashioned with tiny pleats at the waist. Her waist length veil of tulle fell from a clip hat. Her jewelry was a single strand of pearls. She carried an arrangement of Frenched carnations centered with a camellia atop a white Bible.

Mrs. Dean's dress of pink pima mist with an overskirt of white silk organza was designed with fitted bodice and scooped neckline, and short sleeves. The waistline was marked with a flat bow. Her headpiece was a pink feathered organza interspersed with rosebuds. She carried a single long-stemmed pink carnation.

The reception followed with Mrs. Charlie Turner registering guests. Others in the house-party were Mmes. Roy Server, James Woods, Paul Goodgame, Claude Lancaster, J. D. Adams, Joe Culvertson and Wade Green.

After a wedding trip to Breckenridge the couple is residing at 344 Southwest First Street.

For travel the bride chose a light blue two piece suit of linen with matching hat and matching accessories. Her corsage, a camellia, was taken from her bridal bouquet.

A graduate of Hamlin High School, the bride was secretary of the Bookkeepers Club and a member of Future Homemakers of America and the paper staff. She also completed Scoggins Beauty Academy. She is now employed at Co-rene's Beauty Shop.

Reynolds was graduated from Hamlin High School and attended Texas Technological College, Lubbock. In high school he was president of the Junior Play, was FFA President, FHA Beau, Student Council parliamentarian. He is now employed with Oliver Oil Company and is engaged in farming.

Prior to her marriage the former Miss Payne was honored with a gift tea in the home of Mrs. R. L. Goodgame Jr. Guests called from 4:00 to 7:00 p.m. Friday, May 11.

Mrs. Goodgame greeted the guests and presented them to the honoree, her mother, Mrs. Benson Payne, and the mother of the bridegroom, Mrs. Raleigh Reynolds.

The serving table was covered with a lace cloth over arrangement of yellow and white flowers. Crystal appointments were used.

Hostesses were Mmes. Goodgame, Paul Goodgame, Rex D. Reynolds, Charlie Turner, Joe Murff, Roy Server, Joe Norton, Wade Green, J. D. Adams, Claude Lancaster, Jack Vaughan, Clarence Hyer, Chester Jenkins and James Woods Jr.

MABERRY-MITCHELL WEDDING VOWS PLEDGED SATURDAY

Betsy Ann Maberry, daughter of Mr. and Mrs. George Maberry of McCaulley, and Howard Lee Mitchell, son of Mr. and Mrs. Howard Mitchell of Tioja, Louisiana, pledged wedding vows Saturday evening at six o'clock at the McCaulley Baptist Church.

The Rev. Gerald Tidwell of McCaulley Baptist Church officiated for the double ring ceremony beneath an archway of white wrought iron covered with white carnations and greenery which was flanked on either side by white wrought iron candelabras with white tapers. Baskets of deep red gladioli completed the setting. Mrs. Luther Rector of McCaulley was pianist and Mrs. Willard Maberry of Hamlin, soloist, sang "Because" and "I Love You Truly."

Mrs. Al Shipman of Graham sister of the bride, was matron of honor. Bridesmaids were Mrs. Bobby Yates of McCaulley, and Miss Joyce Farmer of Roby.

Smitty Dan Maberry, twin brother of the bride, from Amarillo Air Force Base, served as best man. Groomsmen were Jim Ballard of Hamlin and Hugh Finley of Hamlin. Ushers and candlelighters were Bobby Yates of McCaulley and LaNard Bayouth of Hamlin.

The bride's three nieces, Melody Kay Shipman, Tonya Sue Shipman, and Kimberly Ann Shipman, were flower girls. They wore white polished cotton dresses with scalloped neckline, sleeves, and hem. The petalpoint design overskirt was of white silk organza. A bouquet of red daisies was clustered at the waistline. Each carried a white lace basket containing red flowers and petals.

Given in marriage by her father, the bride wore a traditional gown of white Chantilly lace combined with bouquet taffeta and was fashioned with a sabrina neckline, short sleeves and an elongated bodice which had a bustle bow that extended to form a chapel train. Her finger-tip imported silk illusion veil edged with Chantilly lace was surmounted by a tiara of lace, seed pearls and iridescent sequins. The Chantilly lace bodice was accented with seed pearls and pearlized sequins. She wore white formal gloves and a strand of pearls belonging to her mother. Her bouquet was a cascade arrangement of feathered white carnations centered with a cattleya orchid.

Bridal attendants' sheath dresses of red peau de sole were designed with scoop necklines, brief sleeves, and overskirt of red silk organza. They wore white face veils with velvet trim, white short gloves and white shoes. Each attendant carried a single long stemmed white carnation.

Fellowship Hall of the church was the scene for the wedding reception. The decorative theme carried out the red and white color theme of the wedding. Members of the houseparty included Mmes. Shirley Mathies of Roby, C. E. Green, Jerry Maberry, Jerry Crowley, Happy MaHone, all of McCaulley.

When the couple left for a wedding trip to Dallas and points of interest in Louisiana, the bride was wearing a two-piece beige brocaded ensemble with bone accessories. Her corsage was a white cattleya orchid.

The bride is a graduate of McCaulley High School and is employed by the Fisher

County Tax-Assessor in Roby. In high school she was head majorette for four years, class beauty in 1957-58, football sweetheart in 1957-58, high school queen in 1956-57. She lettered in basketball and volleyball two years. She was sec-treas. of the senior class, member of 4-H and FHA for four years, annual staff for two years and co-manager of the annual in 1957-58, vice-president of the FHA in 1957-58, and participated in the senior play.

The bridegroom is a graduate of Alexandria, Louisiana High School and has completed four year tour of duty with the United States Air Force. He is employed by Texas and Pacific Oil and Coal Company in Hamlin.

Upon termination of their wedding trip, the couple will establish a home at 618 N.W. Ave. E in Hamlin.

Wedding guests were registered from San Diego, California; Tioja, La.; Baird; Waco; Hermleigh; Roby; Hamlin; Sylvester; Silsbee; Graham and McCaulley.

HD Council Makes Plans for Rally Day, July 26

Twenty three members, six visitors and all twelve clubs were present for the April Council meeting of Home Demonstration Clubs of Jones County, held May 16, in the agents' office in Anson. Mrs. H. H. Windham, chairman, presided, with Mrs. Cal McAnich acting secretary.

The business was carried out in the usual order, which included reports from eleven of the clubs. Committee reports included check sheets being passed out by the year book

chairman, with an explanation of the changes to be made in the programs for 1963. 3E chairman gave a report of the County Wide Tea and discussed the Jones County Fair. Mrs. Haynes also gave the information on the West Texas Fair.

The Jones County Council will have a booth at the West Texas Fair in Abilene.

Mrs. Newberry announced the date for the county 4H camp, to be held at Buffalo Gap, as being June 14 and 15.

Mrs. Homer Hutto sent in a letter of resignation as council secretary and Mrs. Cal McAnich was elected to fill her unexpired term.

Plans were made for the Rally Day, which will be held on Thursday, July 26, at the Memorial Hall in Anson. A covered dish luncheon will be served, and each club should bring paper plates, cups and silver for those attending, as no dishes are to be washed. Goodman club will bring tea and Sunshine will make coffee.

FUNCTIONS OF HIGHWAY OFFICE EXPLAINED DURING OPEN HOUSE

The people of the Hamlin area responded enthusiastically to the Open House held in the Hamlin Residency Office of the Texas Highway Department last Friday between the hours of 8 a.m. and 5 p.m.

A poster displayed near the entrance informed the visitors that this residency has 14 employees with an annual income of \$69,000. Including the members of their families, fifty persons are dependent on this income. Eight of these employees are home-owners in Hamlin. The job classifications for these employees are: Senior Resident Engineer, Field Survey Worker, Engineering Assistant, Materials Analyst, five Engineering Aides, and five Inspectors.

Maps on display showed the

area and which employees from this residency work. Colored lines showed Farm-to-market and Primary highways, and the number of miles of roads built in this area under the supervision of this office.

Various equipment was displayed and persons attending the highway work. Much information was given in the plan preparation, testing equipment, and procedures used in the laboratory. Samples of various types of base materials, concrete aggregates, and aggregates for asphalt surface treatment were displayed.

Many showed interest in how projects are prepared and scheduled for contract letting, how quantities of work are estimated on plans, how bids are tabulated, and how and when the contractor receives his pay for work performed.

Nelson Shave, Senior Resident of the Hamlin Residency, said that more than 70 persons signed the register, and those attending expressed appreciation for the opportunity to be informed on some of the many necessary things that the Highway Department does in constructing and maintaining good highways.

Postal Carriers To Distribute Survey Cards

Postmaster Perry Sparks reminds rural patrons of the Hamlin Post Office to be on the outlook for June Livestock Survey cards. Next week, mail carriers will leave survey cards in a sample of boxes along their routes.

"USDA bases livestock and poultry estimates on replies to this survey," Sparks explains. "It's important for everyone who gets a card to fill it out and return it to the carrier. This way, USDA gets a representative sample of the area's livestock and poultry holdings."

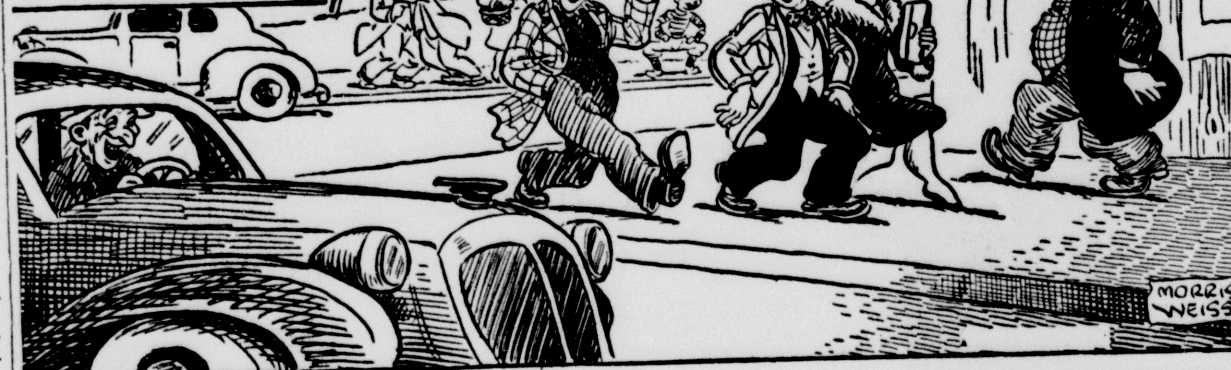

Carriers assisting with the survey are: Andrew (Brad) Rowland, Rt. 1; Jack S. Rus-

Survey cards will be forwarded to Cary D. Palmer, State Agricultural Statistician in Austin. After adding and analyzing these cards, USDA statisticians are able to estimate the State's milk production, calf and pig crops, lamb and wool crops, and the number of hens and pullets.

Information from this survey will guide livestock and poultry producers in making important business decisions," Sparks concludes.

Enlistments Open For Area Sites

Captain William L. Huffman, the Abilene US Army Recruiting Main Station Commander, announced that the Army will accept young men for assignment to the Nike Hercules Missile Sites surrounding Abilene beginning on May 28.

Captain Huffman said that men will be enlisted to serve

in the Abilene unit from nine major cities and their surrounding areas under the Abilene Recruiting Main Station. The cities are Abilene, Snyder, Big Spring, San Angelo, Brownwood, Mineral Wells, Vernon, Midland and Odessa.

"This is a wonderful opportunity for young men interested in military service," the Captain said. "They will gain technical training in the unit. They may continue their education through the Army's educational program and one of Abilene's three colleges, be in the most advanced part of today's modern Army. Satisfy their military obligation and be assigned right here at home."

Make your life have the right...

Impact

on others

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

The carpenter knows that there is a proper way to hold the hammer, and that the nail must be hit from the right direction or the nail will bend.

As children of God we need to make the right impact on others. When we attend church we learn how to treat others, and at the same time are setting an example for others. If we remain straight as a well hit nail, then others are less likely to bend.

"For I have given you an example, that ye should do as I have done to you."

By MRS. ELMER JOINER

The Brotherhood of the first Baptist Church at Hamlin invited the men of the airview Church to a supper and Brotherhood meeting last Monday night. Rev. Derrel Lewis was the speaker for the evening. A good feed and fellowship was enjoyed by those attending, the pastor, Woodrow Goodwin and Winson Gray. Jack Wright, teacher of the young people's class, sponsored an evening of recreation for his class last Tuesday night, going with them to Abilene to play miniature golf and bowl. Those present for the evening's activities were Penelope and Nancy Ford, Linda Goodwin, Suzanne Wicker, Ike Brandon, Jimmy Wainwright, Bob and Herman White, and Mrs. Wright. A Family Night was celebrated last Wednesday night with an ice cream supper on the lawn of the church. A good crowd of 46 people were present. This may not sound like a good crowd to a bigger church but for us it was a sizeable crowd, and we always welcome any visitors on our family nights.

Linda Goodwin spent last Tuesday night with Suzanne Wicker, after they went to Abilene to the Sunday School picnic.

Mr. and Mrs. Fred Rosenbaum ate dinner with Mr. and Mrs. Joe Ford.

Mr. and Mrs. Raleigh Bond went to Anson last Wednesday to the Old Settlers Day, which was held on Memorial Day, to honor those who have passed on. Mrs. Bond had a part on the program and reported a very enjoyable day.

Mrs. Elmer Joiner. They are on their vacation and will be in the Hamlin vicinity quite a lot the next few days.

Mr. Roy Smith is reported to be doing as well as could be expected in the Anson Hospital. Many of our residents have been to see him, but he still isn't up to having too much company, although our hearts all go out to him in the tragic loss of his wife and also his home in the tornado.

Several farms northwest of Hamlin were hailed out last Thursday, late, when the rain came. The cotton was up and plowed out, but hope always lives on in a farmer's life and they are all preparing to plant over this week. Elmer Joiner is one of the ones that lost their cotton, so that comes close to home and makes you realize what it means when we hear of it happening to some one else.

A nice rain fell Thursday night, which was needed very badly, as some had planted cotton and only hoping for it to come up as it was so dry.

Ron K. Parker Receives Degree In Education

DALLAS — Ron K. Parker, son of Mr. and Mrs. Kenneth Parker of Hamlin, was awarded the degree of Bachelor of Arts in Education Monday,

May 28, in the Forty-Seventh Annual Convocation of Southern Methodist University.

Dr. Willis M. Tate, President of SMU, delivered the University's traditional presidential statement to the graduating class of nearly 1250 members. Over 850 students participated in the commencement exercises Monday evening in the SMU Coliseum.

Southern Methodist University has one graduating class per year, consisting of students who have completed their requirements for degrees in August, January, and May.

At SMU, Parker was recipient of the Eastern Star Scholarship, two-year National Methodist Scholarship, and on the Dean's Honor Roll. He is a 1957 graduate of Hamlin High School.

Does Ford Fairlane's "compact" price mean it's a compact car?

NO!

Rambler is a compact!

The experts classify cars by wheelbase. Anything under 114-inch wheelbase is a compact. The biggest Rambler's wheelbase is only 106 inches!

Chevy II is a compact!

Chevy II tries to sound like a middle-size car . . . but its wheelbase is only 110 inches!

Our Ford Fairlane is right between the compacts and the big cars—gives you compact price with big-car room and ride!

Fairlane's wheelbase is a full 115.5 inches. From bumper to bumper, Fairlane measures 197.6 inches . . . 14.6 inches longer than Chevy II . . . 7.6 inches longer than the longest Rambler. Fairlane is as roomy inside as most of the cars on the road today . . . and rides more smoothly than most. Yet it's a foot shorter . . . easier to park than the big cars . . . less gas-wasting bulk. Look at the facts, and you, too, will go Fairlane. Come size it up today.
